Dear Families:

As we transition to a full distance learning model, it is important for us to continue offering music, art and physical education experiences to all students. Beginning this week, your child will have the opportunity to complete optional activities in these areas through their Seesaw page. Activities will be posted each Wednesday. Please reach out to the specialist teacher if you have any specific questions related to these activities.

Share this video with your child on how to find the specialist activities:

In distance learning, it will be important for teachers to continue to model instruction and provide meaningful feedback for students. Please watch this [short video](#) to help make this happen!

Please continue to communicate daily absences with our attendance line (651-480-7391), this information will be shared with classroom teachers and the nurse, as needed.

Stay informed by reading the weekly [Raider Updates](#).

Sincerely,

Mr. Latch, Mr. Esterby, Mr. Bakker
